

Introduction to the “TILT” Framework

Join Dr. Heather Keith as she shares strategies and techniques to help you “TILT” your assignments. Learn the TILT process and how it can improve your instructional practices while helping learners achieve success. Dr. Keith will be joined by Dr. Shauna Mayo, JTCC (becoming Brightpoint)’s Professional Development Coordinator.

What is TILT?

TILTed assignments/assessments (Transparency in Teaching and Learning) ensure that students are clear on the purpose of an assessment and how it connects to other assignments, related skills, and the course objectives. Criteria, necessary steps, etc., is provided so that students know how to complete the assessment and fulfill expectations.

When? December 8, 7 PM

How do I Register? Scan code at right to register or visit:
