

The ALICE Series – Spring 2022: Engaging Our Under-Resourced Students

Successfully serving under-resourced students will be a key to creating the future, skilled workforce required by the Commonwealth. Are you ready to meet this challenge on your campus? This interactive series of workshops will examine economic class and the implications for engaging under-resourced students. Each session will be offered Live via Zoom three times during the spring semester. No registration required. Simply join as you are able.
